

Zero-Draft Joint Work Plan (2016-2019) – To be read together with Strategic Framework

7. 1. Knowledge and data gaps addressed					
Output	Activities:	Indicator	Target	Timeline	Responsibility / Remarks
7. 1.1 Existing and relevant data collection and information systems at global level mapped and reviewed.	Undertake a mapping and scoping study on disaster displacement data collection approaches and partnerships at the global level.	Report on the Study drafted	1	December 2016	Norwegian Refugee Council (NRC) Internal Displacement Monitoring Center (IDMC). Funded by Germany.
	Advisory Committee to review study and provide recommendations to PDD Steering Group.	Set of Recommendations	Yes	December 2016	UNHCR, IOM, UNDP, NRC IDMC, Joint IDP Profiling Services (JIPS).
	Action Plan on how to address gaps and data challenges developed and adopted.	Action Plan	Adopted	January 2017	Steering Group
	Establish link with Global Migration Data Analysis Centre (GMDAC) to identify complementarities/gaps.	Analysis on gaps/complementarities	1	December 2016	IOM
7. 1.2 Tools, concepts and methodologies to collect and analyze disaster displacement data improved and applied	Review and improve disaster displacement profiling tools.	Tools reviewed.	Yes	June 2017	JIPS, UNDP, UNHCR.
	Support profiling exercises in disaster situations.	# disaster situations/Countries	2	December 2017	JIPS and UNDP. Relevant members of Steering Group. Funding is not ensured.
	Provide preliminary quantitative estimates and analysis of cross-border disaster-displacement situations.	# of situations	10	December 2017	NRC IDMC. Funded by Germany.
	Support regional capacity to track (including considering application of Displacement Tracking Matrix), analyze trends, monitor and generate data on complex population movements in disaster contexts.	# regions supported	5	June 2019	UNHCR, IOM. Potential partners: Regional Mixed Migration Secretariat (RMMS) in Horn of Africa, FLACSO in the Americas. Regional Consultative Processes (RCPs).
7.1.3 Post-disaster needs assessment supported	Provide technical support to Post-Disaster Needs Assessments (PDNAs) and ensure inclusions of disaster displacement data.	# of PDNAs supported	5	June 2019	UNDP, IOM, UNHCR. Details TBD.
7.1.4 Displacement risk mapping and forecasting	Undertake and support national and transboundary disaster displacement risk	# regional and national mappings	10	June 2019	NRC IDMC, IOM, UNHCR, UN ISDR (TBC).

models further developed and applied.	mapping.				Several Steering Group Members have indicated this as a gap and expressed interest/capacity to support such activities.
	Exercise on scenario building on 'What Future for International Migration and Human Mobility'.	# exercises	2	September and February 2016 and 2017	IOM. (Organized by the Friedrich-Ebert-Stiftung (FES), Global Future (GF) and IOM).
7.1.5 Evidence strengthened and research gaps addressed	Engage with the Intergovernmental Panel on Climate Change (IPCC) and Working Group II.	TBD	TBD	TBD	Steering Group. (Different modalities available: Sign up as reviewer, review reports, support lead and co-authors, support research/researchers from affected areas).
	Commission research on disaster displacement and protection gaps in the context of slow-onset and extreme events associated with the adverse effects of climate change.	# studies	3	June 2019	Steering Group. Resources made available by Germany. Exploring linkages to the enhancement of early warning systems.
	Research on nexus climate change, displacement and security.	# studies	1	June 2017	UNHCR (Study in lake Chad region surrounding Chad, Cameroon, Niger and Nigeria).
	Documenting effects of climate change and disasters on people already displaced	# studies	1	December 2017	UNHCR
	Undertake study as per Brasilia Declaration and Plan of Action on new cross-border displacement challenges 'posed by climate change and natural disasters'.	Study	Yes	December 2017	UNHCR
7. 1.6 Research, scientific and policy dialogue and coordination promoted	Constitute Advisory Committee of the Platform on Disaster Displacement.	# of annual meetings	1	October 2016, 2017 and 2018	Coordination Unit and NRC. IOM and UNHCR. Funded by the MacArthur Foundation and Germany.
	Provide coordination support and convene Expert Group on 'Climate Change Displacement, Migration and Planned Relocation'.	# joint policy briefs submitted to	6	December 2016	UNHCR and IOM

7.2 Use of identified effective practices to prevent or address disaster displacement enhanced					
Output	Activities:	Indicator	Target	Timeline	Responsibility/Remarks
Humanitarian Protection Measures					
7.2.1 The use of temporary protection (TP) guidelines and other migration management tools applied for cross-border disaster-displacement	Build on the Nansen Initiative ' <i>Protection Agenda</i> ' and the Nansen Initiative ' <i>Guide to Effective Practices on Admission and Stay</i> ' to: 1) Develop country/region specific protocols/standard operating procedures on admission and stay 2) Undertake training on the protocols and the Protection Agenda/Guide 3) Run bilateral or regional simulation exercises	# of protocols/SOPs developed # of trainings # of exercises	2 2 1-3	June 2017 June 2017 December 2017	IOM, UNHCR. Steering Group Members. Germany has provided funding to pilot development of protocols and SOPs and run 1-3 training and simulation exercises. Switzerland has provided funding for 9 months secondment to Costa Rica to support/prepare process in the Americas. Steering Group to decide on geographic priority.
	Dissemination and adoption of Regional Conference on Migration (RCM) and Nansen Initiative ' <i>Guide to Effective Practices on Admission and Stay</i> '	# Guide adopted by RCM	Yes	November 2016	Chair/Vice-Chair. Costa Rica, Mexico and Canada. Switzerland has provided funding for 9 months secondment to Costa Rica to support RCM.
7.2.2 Training and capacity building organized.	Support existing capacity building/ training (e.g. on early warning, emergency response, evacuation) at national and local level, using existing training tools	# of trainings supported	TBD	TBD	IOM. To be discussed with relevant Steering Group Members to identify opportunities and capacity/interest for support.
7.2.3 Bilateral and regional contingency planning and preparedness planning supported.	Ensure and support the inclusion of cross-border disaster-displacement risks in contingency planning and support the strengthening of early warning systems and preparedness for response capacities at national and regional level.	# of plans supported	TBD	TBD	IOM, UNHCR. To be discussed with relevant Steering Group Members to identify opportunities and capacity/interest for support.
Managing Disaster Displacement Risks					
7.2.4 Operational and technical support to include human mobility challenges in national DRR/CCA/Development strategies provided.	Provide technical support at national level on how to include human mobility challenges in climate change adaptation strategies and planning and other forms of public climate action policies/planning.	# of countries supported	TBD	TBD	To be discussed with relevant Steering Group Members to identify opportunities and capacity/interest for support.
	Provide technical support at national level on how to include human mobility challenges in DRR Strategies/Plans	# of countries supported	TBD	TBD	To be discussed with relevant Steering Group Members to identify opportunities and capacity/interest for support.
	Provide technical support to include disaster displacement in development plans/UNDAs and into Funds.	# of development plans supported # of Funds engaged	TBD TBD	June 2019 June 2019	UNDP (TBD). Steering Group to identify priority countries/assess needs.
7.2.5 Planned relocation	Disseminate ' <i>Guidance on Protecting People</i>	# of presentations	TBD	May 2017	UNHCR in cooperation with Georgetown University,

processes supported	from Disasters and Environmental Change through Planned Relocation (“Guidance on Planned Relocation”) Develop operational and practical guidelines/SOPs for operational partners and States. Support development of planned relocations policy at national level.	and briefings on the Guidance Operational Tool # of countries supported	Yes TBD	May 2017 TBD	IOM and in cooperation with Steering Group and other interested States. Steering Group to indicate and suggest priority countries.
7.2.6 Migration as Adaptation supported	Build resilience of people living in areas facing natural hazards, environmental degradation and the adverse effects of climate change and build on existing practice.	TBD	TBD	TBD	IOM Prioritize SIDS.
	Promote regular and legal migration as an adaptation strategy to the adverse effects of climate change, and exchange experiences and effective practices	TBD	TBD	TBD	IOM
7.2.7 IDP protection in disaster situations enhanced	Raise awareness and support Global Protection Cluster (GPC) to enhance displacement protection capacity in disaster situations (both internally cross-border).	GPC supported with policy and technical input.	Yes	September 2016	UNHCR and Coordination Unit to lead technical session on disaster displacement at GPC Retreat 2016.

7.3 Mainstreaming of human mobility challenges in relevant policy and action areas ensured, and policy coherence promoted

Output	Activities:	Indicator	Target	Timeline	Responsibility/Remarks
7.3.1 Effectives practices, systematized, consolidated and shared in relevant events	Document and share effective practices in relation to the implementation of cross-border humanitarian protection measures	# of practices and communication products # of events where practices presented	TBD 15	June 2019	Chair/Vice-Chair Steering Group Coordination Unit
7.3.2 Technical and policy input provided systematically to the UNFCCC and its subsidiary bodies.	Provide technical and policy advice to the Executive Committee of the Warsaw International Mechanism for Loss and Damage associated with Climate Change Impacts (WIM).	# of Briefings	3	June 2019	Chair/Vice-Chair Adviser to the Chair IOM and UNHCR
	Participate in and support WIM Task Force on Displacement related to the adverse effect of climate change	# of meetings attended and written inputs provided	6	June 2019	Chair/Vice-Chair Adviser to the Chair IOM and UNHCR
	Participate in and support the WIM Expert Group on non-economic losses	# of meetings attended and written inputs provided	6	June 2019	Chair/Vice-Chair Adviser to the Chair
7.3.3 Sendai Framework on	Support the preparation and outcomes of the	# of side events	TBD	May 2017	Chair/Vice-Chair.

DRR 2015-2030 implementation supported.	5th Global Platform for Disaster Risk Reduction in Mexico 2017 and ensure that disaster displacement is highlighted during the Global Platform	disaster displacement referenced	Yes.		Mexico is chair of 5 th Global Platform. IOM, UNHCR.
	Support Implementation of Sendai Framework for DRR	TBD	TBD	TBD	Steering Group. IOM, UNHCR.
	Support ISDR Expert Group on Indicators and Terminology	TBD	TBD	TBD	Chair and Vice-Chair
7.3.4 Follow up to WHS and relevant provisions in Agenda for Humanity ensured.	Support implementation of Commitments to Action Document and road map to implement SG's Agenda for Humanity	TBD	TBD	TBD	Chair and Vice-Chair. Outcome and commitment documents not yet published/available. IOM and UNHCR
	Provide input to the SG's annual report on Natural Disasters	Input provided	Yes	July 2017/2019	Chair/Vice-Chair Coordination Unit
7.3.5 Engagement in and support to relevant migration policy dialogues established	Examples: UNGA 19 September Summit, GFMD, High Level Dialogue on Migration.	TBD	TBD	TBD	Chair/Vice-Chair and Steering Group Members. IOM.
	Contribute to preparatory work and support organization of Workshop of the IGAD Regional Consultative Process (IGAD-RCP)	# Background paper # Workshop report	Yes	April 2017	IGAD and IOM. Government of Switzerland indicated interest to support process (in kind and financially).
	Establish contact and engage with Migration Dialogue for West Africa (MIDWA), Regional Consultative Process (RCP)	TBD	TBD	TBD	IOM.
	Establish contact and engage with South American Conference on Migration (SACM), Regional Consultative Process (RCP)	TBD	TBD	TBD	IOM.
7.3.6 Policy coherence promoted in other policy and action areas.	Contribute to OHCHR Multi-stakeholder expert meeting on human rights and climate change	# of submissions and presentations	1	October 2016	Chair/Vice-Chair/ UNHCR and IOM
7.3.7 Analysis and evidence presented to policy and decision-makers in side event and public events	Side event/public events (e.g. side events at 67 th UNHCR Excom, COP 22, 107th IOM Council, 5th Global Platform for Disaster Risk Reduction etc.).	# events	15	December 2017	Chair, Vice-Chair and Steering Group Members.
7.3.8 Systematic and coordinated advocacy, communication and messaging ensured.	Communication plan and strategy developed and implemented	Strategy adopted Strategy implemented	Yes Yes	June 2017	Chair/Vice-Chair and Steering Group. IOM and UNHCR

7.4 Policies and norms regarding gap areas developed and promoted					
Output	Activities:	Indicator	Target	Timeline	Responsibility
7.4.1 Guides to Effective Practices on Admission and Stay developed at regional levels.	Promote development of Guides to Effective Practices on Admission and Stay in relevant/interested regions: 1) Undertake regional desk review 2) Consult, develop and draft Guide 3) Apply Guide and offer capacity building	# Guides developed	1-3	June 2019	Interest expressed by Steering Group members for the Americas and the Pacific. Switzerland has provided funding for 9 months secondment to Costa Rica that can support process in the Americas. Consider RCPs to be vehicles.
7.4.2 Development of new and relevant policies and norms, including soft laws, at the national and regional level supported.	Convene governmental meetings at national or regional level to discuss the development of national and regional (legal) framework and/or legal migration pathways for disaster affected/displaced persons.	TBD	TBD	TBD	Chair/Vice-Chair and Steering Group.
7.4.3 Global soft laws promoted (Resolutions etc.)	TBD	TBD	TBD	TBD	Chair/Vice-Chair and Steering Group. (Inclusion of subject matter in e.g. ECOSOC Resolution, Human Rights Council Resolution on Climate Change and Human Rights, etc.).

END/.
