How is the issue of ‘environmental’ (im)mobility within countries is addressed in law, policy and strategies?

During this webinar, leading scholars will share reflections on relevant law, policy and strategies at international and national levels, including internally displaced persons (IDP) law and disaster law.

Join us for a discussion moderated by Greta Zeender from the Secretariat of the UN Secretary-General’s High-Level Panel on Internal Displacement.

## SPEAKERS INCLUDE:

This session is part of a seminar series convened by the RLI and its Internal Displacement Research Programme, in partnership with the Platform on Disaster Displacement.

The series brings together diverse perspectives on how law and policy can respond to global human mobility and environmental challenges. Its six topical sessions will be broadcast live in an interactive format via Zoom.
