## FROM SCIENCE TO POLICY AND ACTION: HUMAN MOBILITY IN TIMES OF CLIMATE CHANGE

Join this event to hear about the latest research on human mobility and climate change, and how integrated policy frameworks are being developed - based on the best available science - to address the challenges and opportunities, especially for the most vulnerable and marginalized. Presentations will be followed by a discussion to highlight what this means in practice, with perspectives from international actors, the global youth movement, affected communities, academia and government.

### 🗨️ SPEAKERS:

- **Dr. Kira Vinke**, German Council on Foreign Relations and Potsdam Institute for Climate Impact Research
- **Ms. Julia Blocher**, Potsdam Institute for Climate Impact Research and International Youth Federation
- **Mr. Ahmad Yazan Miri**, Youth4 Nature
- **Mr. Nacanieli Bolo**, Pacific Response to Disaster Displacement Project, Internal Displacement Monitoring Centre
- Representative of the Pacific Island Forum Secretariat
- Representative of the Government of Fiji
- Discussions will be moderated by **Prof. François Gemenne** from The Hugo Observatory
